...And His 7 Actions

1. Listen to English a lot – “soak your brain”
2. Focus on meaning first – watch body language
3. Use words you know creatively – and mix them
4. Learn the core words – 1000= 85%, 3000= 98%
- + Speak with tools: *What is this? How do you say? I don't understand... Could you repeat that?*
5. Find a “language parent” to practice English with
6. Copy the speaker's face – look at the mouth
7. Think of the image, then the word
